1	Sometimes I get over, sometimes I don't, but enjoy the challenge. Also know, where to bail out if necessary.	12/11/2021 3:52 PM
2	I see the advantages but I'm okay either way.	12/10/2021 1:13 PM
3	There is the option to go for the green or lay up. I have seen ladies get on in two and either one putt or two putt. An acceptable result on a Par 3. Why take away the challenge?	12/8/2021 7:12 AM
4	A mowed lay up area would help. A new tee box will maybe allow us/me to reach the green, but with my handicap I don't expect to carry the ball tee to green. There are tee boxes that require improvement before a new one on #13.	12/6/2021 2:31 PM
5	It will have to be an alternative to the current position and a rating will have to done from each position.	12/6/2021 9:16 AM
6	While I can reach the green with my driver, I prefer par 3 holes that do not require a driver.	12/5/2021 10:11 AM
7	Not a new tee box BUT the existing tee box could be extended forward by 10-20 yards to make the hole shorter and the green more reachable for ladies without having to use a driver.	12/3/2021 7:43 PM
8	Baby golf	12/2/2021 7:29 PM
9	Another option would be to extend and/or raise the existing tee box.	12/2/2021 10:40 AM
10	Some challenges are good.	12/1/2021 9:21 PM
11	This might allow more ladies to hit the green on their drive	12/1/2021 8:16 PM
12	Addressing the slope of the green would be a much better investment. The present tee gives longer hitters a chance to reach the green, and shorter hitters to lay up for a chip and a putt - if the green was not so challenging. The men also complain about the slope of the green. Fixing the green would be a win for all golfers.	12/1/2021 7:41 PM

13	Most of the ladies cannot hit the green from the present tee. A closer tee would give us all a chance to par the hole.	12/1/2021 5:27 PM
14	Although #13 is an extremely challenging par 3...a new tee box closer to the green, I fear, will make it another 100 yd (or less) par 3 similar to #9 in difficulty and distance.	12/1/2021 3:06 PM

Q2 Course changes: The condition of the #17 tee box has been an issue of discussion particularly in 2021 when the heat wave hit. Although it is growing back in now, Jess says its condition is very poor. A new tee box would be to the right of the path on #17, at the same distance. Are you in favour of a new tee box to the right of the path on #17?

1	If it would save the original tee box, yes. But could we not alternate between the old and the new tee box?	12/11/2021 3:52 PM
2	Yes it it is elevated and the same distance.	12/8/2021 7:12 AM
3	I would be if it is elevated and only one tee is set on it. This tee box was re-built at the request of the ladies several years ago, it was hand watered to keep it in good condition. Now... there are two tee areas on this very small tee box and it just can't handle the extra use and the irons used. I would prefer the new tee box to be used for the white tees.	12/6/2021 2:31 PM
4	Sounds OK if they do it properly. But, if they cannot look after the present one, why will a new one in another place be better? Why not fix the one we have?	12/6/2021 9:16 AM
5	I'm in favour, but this would be less of a priority for me than moving the tee on #13.	12/5/2021 10:11 AM
6	Will be ok	12/2/2021 7:29 PM
7	Fix the existing one. A bit of a cop out to just say it's in poor condition.	12/2/2021 4:28 PM
8	Financially, maybe it would be better to rehabilitate the existing tee box. Could the top layer not be removed, replaced and reseeded? Only Jess would know the answer to that. It is very costly to build tee boxes and it seems a shame to totally dismantle the existing one. Having said that, many of us are unable to reach the green and currently have to aim to the far right in hopes of having our ball at least land somewhere safely, which is almost impossible with a fence, a cart path and land with ugly tufted grass sloping steeply down to the pond. We would not know until we tried a new tee box but perhaps it would help somewhat with us not having to aim so far right. For those who can easily reach the green, the location of the existing tee box is probably what they would prefer as it is in a line with the green.	12/2/2021 12:39 PM

10	I'm assuming it will be raised.	12/1/2021 8:37 PM
11	Great idea!	12/1/2021 7:41 PM
12	Absolutely not! The angle of approach with this new possible tee box leaves little to no room for shots going right, leading to more balls going over the fence onto approaching traffic from Hutchison.	12/1/2021 3:06 PM

## Q4 In your opinion, what improvements could be made to the course?

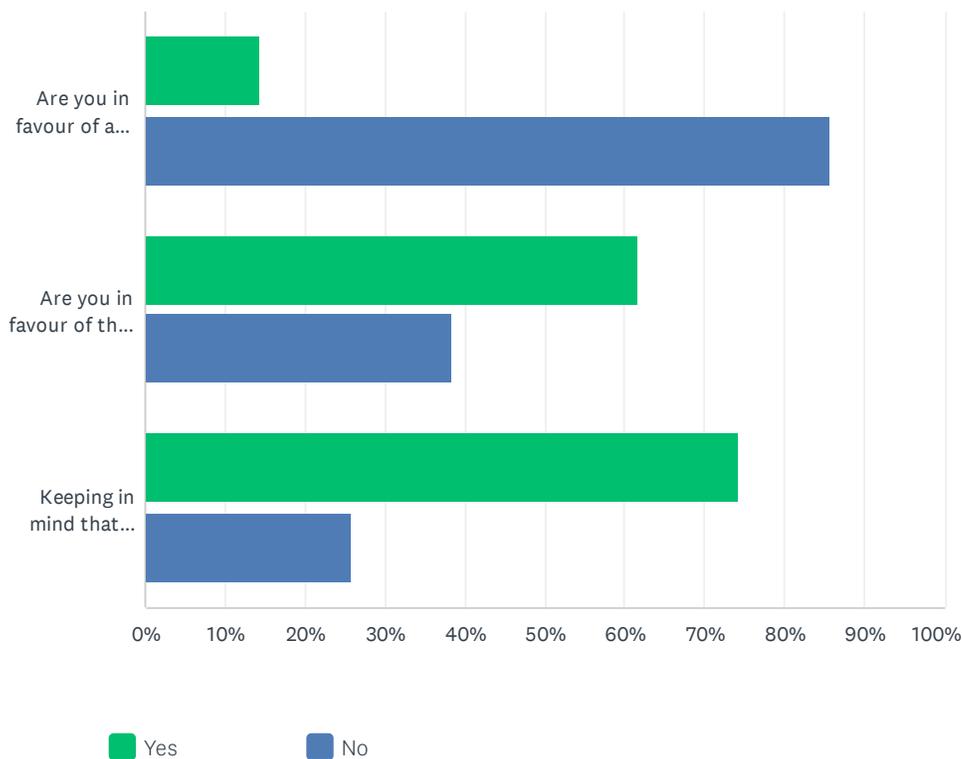

Answered: 20 Skipped: 17

#	RESPONSES	DATE
1	fix those horrible cart paths, & make them wider so passing is possible. Fix the irrigation system, or whatever the problem was last summer with the drought & not getting water to the course..	12/14/2021 7:32 PM
2	The obvious is the cart paths - they are a mess. More consistency in the sand traps.	12/11/2021 3:52 PM
3	Forward Tee box on #7 it needs some attention Forward Tee box on #9 - although recently redone, suffers from a lot of use. Could the teeing area be set in different configurations more often.	12/6/2021 2:31 PM
4	Perhaps a few more tee areas could have sand mix to repair divots. Sometimes, visitors to the course park their carts at the bottom of the hill below #2 green; it would be helpful to have a sign indicating where they should park.	12/5/2021 10:11 AM
5	A creek running across #16 where the water drains across.....mid fairway. Cart path repairs. Pin placements changed more frequently. Driving range included in fees.	12/3/2021 7:43 PM
6	Better tee boxes, smoother cart paths (would save on wear and tear of the golf carts, particularly now that new carts have been ordered)	12/3/2021 10:36 AM
7	Rough kept short throughout year Obstructing machines and maintenance stuff out of play/way/cleaned up Tee boxes- better grass. Leveled out	12/2/2021 7:29 PM
8	#7 tee box could be improved	12/2/2021 4:28 PM
9	Cart paths need replacement. They are terrible, unsafe, harmful to the body and to the golf carts. The holes should at least be filled in temporarily. With the water in the holes we cannot even determine how deep the holes might be. People are avoiding the cart paths leading to destruction of the adjacent fairways. Bathroom at #8 needs repair in places and painting of a light colour as it is very dark. Bathroom floors should not be left wet which is unsafe. Bathroom supplies need to be checked to prevent lack of soap or paper towels.	12/2/2021 12:39 PM
10	1. Cart paths need improvement 2. Tee boxes need levelling - many of the forward tee boxes tend to be rounded in the middle 3. Improve conditions during the dry summers - more watering	12/2/2021 10:40 AM
11	No point in answering this - Jesse will do what he wants.	12/1/2021 9:38 PM
12	Some of the cart paths are very bumpy. It would be nice to have the pot holes filled in.	12/1/2021 8:37 PM
13	The cart paths must be a very high priority	12/1/2021 8:16 PM
14	The greens, although fast, are much improved. The rough and bunkers need more TLC.	12/1/2021 7:41 PM
15	Tee boxes require leveling and better conditions. Fairways need to be better grass condition. Safer road crossing from 1 to 2 and 16 to 17 by way of lines/arrows/signage. Better distance markers/repaint existing at the least.	12/1/2021 4:21 PM
16	Obviously the cart paths are disgraceful	12/1/2021 4:06 PM
17	Probably the most crucial thing in my opinion, is building up the density and length of our fairways and areas nearing the greens. I feel that our fairways are too sparse and cut too short. Many times there is little grass in many areas of the fairway and also, the intermediate cut. If we were to keep the fairway cut a little longer, maybe the turf would not be so susceptible to burn out, blights etc. especially once a little rain is present (and where we see lots of turf that is more dirt than grass). Although our maintenance staff have tried to keep up with frequent burst pipes, the overall look of our course has drastically gone down. Hopefully we can put more water on the course in general so that we don't see the terrible conditions that were seen in the past two years. I have to give full kudos to the staff for keeping the greens in such great shape.	12/1/2021 3:06 PM
18	The player assistants coming around more regularly to speed up playing	12/1/2021 3:02 PM
19	Cart path could be better	12/1/2021 2:42 PM
20	Cart paths need to be fixed	12/1/2021 2:32 PM

**Q5 Ladies Program Changes:**The Senior Super Senior Tournament was a matter of discussion at our Closing event and AGM. Some people suggested we return to a separate Senior Ladies (+70 yrs.) tournament and name it the Golden Girls Tournament as it existed before 2016. We circulated a summarization of the history of this tournament for the AGM discussion. Please contact Linda Grisley at lgrisley@shaw.ca if you need refreshing.

1	Not in favour of reverting to separate Golden Girls Tournament. In favour of continuation of Senior Super Senior Tournament	12/8/2021 7:12 AM
2	A player can play in a combination tournament such as Gross, Net, GG. But a player should not be allowed to win in more than one of them. Decide which is "the tournament" we are playing.... to determine the winner in each. With more Ladies in the super senior (golden girl)	12/6/2021 2:31 PM

category, could we have a 1 day tournament on a chosen Tuesday Ladies Day. Keep the Gross/ Net Tournament a 2 day tournament. Ideally. Tuesday & Thursday in the same week.

3	At the Amateur Level I feel you should win one prize. In this particular case, Gross is the most prestigious prize. If you win that, you are not eligible for a Net Prize. Each player should state what Net prize they are competing for when signing up for tournament. One of reasons we have handicaps is to give all players a chance to win a prize. A Gross Winner should never be given a Net Winner prize. They can be acknowledged as also the lowest Net, if that is the case, but not given the prize.	12/6/2021 9:16 AM
4	I liked the "golden girls" title much better than "super senior" a separate tournament 70+ would be great. It isn't fair that one age group can win in all 3 categories and others can't Also, all tournaments/games (where prizes are being issued) should have 1st, 2nd and 3rd winners. No more, no less.	12/3/2021 10:36 AM
5	Let's make it fair for everyone.	12/2/2021 10:40 AM
6	If you are a 70 super senior and win in all 3 categories then the gross win should be #1. Unless it is a net tournament .. so the most important win is your win. So if gross is #1 then net and golden girl trophies go to the next best scorer. One trophy but a chance at all 3. If a 70 year old can win low gross against younger players then good on her! Same ss net!	12/1/2021 9:21 PM
7	The ladies who are +70 should declare at registration which part of the tournament they are choosing and be bound by that during play.	12/1/2021 4:21 PM
8	In regards to the last question...we have plenty of talented super seniors who could and should be able to compete in both categories. To be fair, at many courses, there is a charge to compete in each category, so that golfers can decide in which category they wish to compete. A little different at our course, where there is no entry fee charge per se.	12/1/2021 3:06 PM

1	Me personally, I do not enjoy the dressing up part - but am happy with everything else.	12/11/2021 3:52 PM
2	Maybe we could we have a theme tournament... keep it simple with dress OR cart decorating. Without the component of the betting, this tournament has lost its way. First is the fun of competing as a team, not for our creative abilities in costume. A theme may give us direction and one team who shows the theme at its best (simply) may win a prize.	12/6/2021 2:31 PM
3	One of the fun parts of this tournament is what can happen the 2nd day.	12/6/2021 9:16 AM
4	I am especially opposed to costumes, decorated carts and clashing eclectic outfits. Tournaments could be one or two days.	12/5/2021 10:11 AM

6	I don't care either way.	12/1/2021 9:38 PM
7	Often life gets in the way for 2 consecutive weeks.	12/1/2021 9:21 PM

8	The Stableford tournament should be explained a bit better. As a newcomer to Ladies Golf, I didn't realize that I wouldn't be playing with the ladies for two weeks if I didn't sign up for that tournament. I also didn't realize that level of play didn't determine whether you could play in that tournament or not.	12/1/2021 8:16 PM
9	Neutral on other two questions.	12/1/2021 7:41 PM
10	This tournament is one of the season best. The cocktail party and team picking is a big part of the fun. Without the dressup and carts, it's no longer the same tournament.	12/1/2021 4:21 PM
11	As much as I have enjoyed my six years of competing in this tournament, and have full heartedly participated in the costuming/decorating of carts etc., I think that it has become a bit of a burden on the captains in particular, to come up with a theme etc. I also think that it's been "done" and maybe time for this aspect of the tournament to take a hiatus!	12/1/2021 3:06 PM

8	I have started the Solheim Cup at my previous golf club which is still successfully running 20 years plus! We met to select teams "live" which added to the excitement (similar to our cocktail party for Diamond Stableford). This is often a two or three day tournament featuring different formats which might be fun to try as a new tournament format.	12/1/2021 3:06 PM

3	With COVID, lunches didn't work for everyone. Perhaps during the pandemic, just use regular tee times and announce winners via email and website. Foursomes or small groups should be encouraged to support the restaurant following their round, not just on Tuesdays. With the new omicron variant, things will not be back to "normal" for some time to come. I like the new draw process. The website continues to improve so cudoes to those past and present for all their hard work.	12/3/2021 10:36 AM

Three Blind Mice - Individual flighted game. 3 Holes are randomly selected by the pro shop to be thrown out. Payouts based on net score minus the 3 holes.	63.64% 21	36.36% 12	33
Criss Cross - Individual flighted game. Players elect to take the score from either the hole on the front nine or the corresponding hole on the back nine. For example, 1 or 10, 2 or 11, 3 or 12, etc. Because you will have only nine holes for the purposes of this game, take gross score minus ½ of the player's handicap.	50.00% 17	50.00% 17	34
Hate 'Em - Individual flighted game. At the first tee, circle the 2 holes you hate the most; one on the front nine and one on the back nine. Play round as usual then subtract the "hate 'em" holes. Deduct handicap from REVISED gross score.	52.94% 18	47.06% 16	34
Best Net Par 4s – Individual flighted game – Play a regular game. Total your net score for par 4s	72.73% 24	27.27% 9	33
T & F - Individual flighted game. For purposes of this game, count net score for each hole that starts with a T or F. Use ordinal numbers. T's would be third, tenth, twelfth, thirteenth. F's would be first, fourth, fifth, fourteenth, fifteenth.	61.29% 19	38.71% 12	31
Scramble – Team game - Everyone will tee off. The team will choose the best of the four shots. IF YOUR BALL IS SELECTED YOU DO NOT HIT THAT SHOT. Then you proceed to the next shot and follow the same procedure. Once the ball has reached the green, all four players take one putt. If not holed out, please pick up the ball. This means you should not count more than two putts per hole. Each player MUST have their drive chosen at least three times.	61.76% 21	38.24% 13	34
Jokers Wild – Team game - each member of the team is randomly assigned one of the four playing card suits (heart, diamond, spade, club). Then, on each hole, the players find out only after completing the hole which team member's score(s) will count as the team's score.	62.86% 22	37.14% 13	35

#	OTHER GAME SUGGESTIONS:	DATE
1	Blind Partners - At end of round, a blind draw is done for partners this could be flighted. Low combined net score wins. 4 Lady Event - 3 best net on par 5, 2 best nets on par 4, 1 best net on par 3, to get team score. All putts holed out. Nickel game was popular.	12/6/2021 2:31 PM
2	Please don't include bingo, bango, bongo. This is painfully slow. In general, I prefer plain, individual flighted net score games.	12/5/2021 10:11 AM
3	4 ball, not team match play all team games should count no more than 2 scores, this allows a player to pick up and not let the team down	12/4/2021 4:33 PM
4	Based on past years, if the game rules are complicated, some don't follow them, even in teams. Match plays are great. What about skins? Pin rounds are very time consuming having to putt out every hole. 5+ hours for a round is way too much and certainly not respectful of those playing behind us.	12/3/2021 10:36 AM
5	I have found that Jokers Wild puts too much pressure on the new golfers. Never a good outcome.	12/1/2021 9:21 PM
6	Still like Bingo, Bango, Bongo...We didn't really give it a good try. It was there one time and then got dropped last year.	12/1/2021 3:06 PM
7	irons only	12/1/2021 2:39 PM
8	I am always up for a game if it breaks the monotony of always just playing for your best score. It is fun to have to focus on just having some fun.	12/1/2021 2:32 PM

#	SUGGESTED COLOUR(S) & COMMENTS:	DATE
1	Nice to have a change up.	12/11/2021 3:52 PM
2	I prefer the President & executive to choose colour. Keep in mind some of us look more box like that carrot like.	12/6/2021 2:31 PM
3	I like the team shirts, but there seems to be very little reason to purchase one.	12/5/2021 10:11 AM
4	club shirts should not be used in Tournaments, stick to opening/closing day, interclub	12/4/2021 4:33 PM
5	Do not want to have to wear our shirts on tournament days. They are great for Interclub and representing AR when we are away but our photos for our own tournaments have us all in the same shirt when we are competing individually.	12/3/2021 7:43 PM
6	If this choice is followed, team shirts would not apply or the colours have to include the team shirt. My recommendation is basic colours that work for everyone. Ie: black and white red and white, blue and white, etc noting that variations of the colours would be good: swirls, stripes, etc Team colours look great at tournaments and interclubs	12/3/2021 10:36 AM
7	This is a good idea. Gives more flexibility.	12/1/2021 9:38 PM
8	If you hate it you're stuck with it ..	12/1/2021 9:21 PM
9	I like the royal blue.	12/1/2021 8:37 PM
10	Shades of blue Different material- not the t-shirt material	12/1/2021 8:08 PM
11	Teal	12/1/2021 5:54 PM
12	Black	12/1/2021 4:23 PM
13	I think that more ladies would be receptive with the shirts if they knew they were going to be used for a few years.	12/1/2021 4:21 PM
14	I would prefer that we wear our club shirts when competing in zone events or interclub matches rather than every month on ladies day. I thought the idea of "Club"shirts was to differentiate our club from other clubs.	12/1/2021 3:33 PM

As good as any colour is for a team shirt, one gets tired of it! Also...what one year's ladies group likes regarding colour, may not be what another group would want ten years later!

1	well run club, & I thank all of your ladies for your efforts, Very appreciated & job well done!	12/14/2021 7:32 PM
2	The question I ask is: is the Ladies League more of a social league or a competitive league. For me, I am more motivated when there is some competition. I don't enjoy playing way outside of my skill/peer group. I'm obviously easy distracted, and need more focused play.	12/11/2021 3:52 PM
3	When we can again gather after golf, we will have more fun, maybe we can have the fun factor at the first tee to give the new players a welcome mat each or every other week for a couple of months.	12/6/2021 2:31 PM
4	Great survey!!	12/3/2021 7:43 PM
5	I want to play golf, not silly games. Having to putt out on every hole is time consuming in the game, particularly when the course is so busy. AR is not a top tier course compared to other courses on the island. Membership fees are rising every year while the course isn't improving which is not a reflection on the grounds crew as they have been diligently trying to make improvements but working with aged infrastructure	12/3/2021 10:36 AM
6	How about a games evening touse as a get together to get to know each other better out side of golf For example: Bunco They might just like it enough to keep this as a monthly fun get together!!! It has been done and has just a proven record!! You never know!	12/2/2021 7:29 PM
7	The ladies golf events are extremely well organized. Well done ladies!	12/1/2021 8:37 PM
8	Congratulations and many thanks, Linda, Marilyn, Miriam, Elaine and the rest of the Executive for the 2021 season! This survey is a great idea to elicit members' input for 2022. Thank you.	12/1/2021 7:41 PM
9	Thank you for all the work you do!	12/1/2021 5:54 PM
10	Love playing golf, prefer not to play complicated or time consuming games that detract from golfing	12/1/2021 5:02 PM
11	Thank you to everyone involved you all do an amazing job!	12/1/2021 4:23 PM
12	Make sure that all new members are told about how all the components of Ladies Club work and that they are aware it is not just for the "good" players, it's for those who love to play and want to learn and improve both in plays and knowledge.	12/1/2021 4:21 PM
13	First off, thanks for assembling this extensive and thoughtful survey! Good for you! It's much easier to think in front of a computer rather than asked about changes at a general meeting etc. As an organization, I feel that Arbutus Ridge Ladies organizing committee is one of THE hardest working groups that I know! We are lucky to have such a well-meaning, hard working groups of individuals!	12/1/2021 3:06 PM
14	Some women have asked if I enjoy the Tuesday ladies group and I always say yes. I enjoy the different games and encourage others to join. Some are afraid to join as they are not 100 % sure of rules. I tell them it is a way to learn.	12/1/2021 2:32 PM

## Q18 Ask yourself, what can I, as a member of Arbutus Ridge, do to help these things happen?

Answered: 7 Skipped: 30

#	RESPONSES	DATE
1	Rather than everyone complaining to the golf shop as individuals, our team captain should be our spokesperson otherwise it may appear as some individuals are the chronic complainers and written off accordingly. It's important that we also indicate what's going well or when something is fixed. Issues aren't always the groundskeeper's fault	12/3/2021 10:36 AM
2	Offer to run the bunco	12/2/2021 7:29 PM
3	I will help out whenever I can.	12/1/2021 8:37 PM
4	Play with integrity, honesty and have fun and promote fun	12/1/2021 5:54 PM
5	Spread the word that is group welcomes all and that we are kind. We are all out on the course to learn and Tuesday is about camaraderie, fair play, and fun.	12/1/2021 4:21 PM
6	Of course, all of us should step up to the plate to work as part of the organizing committee or at least volunteer to help out at tournaments, year ending events etc.	12/1/2021 3:06 PM
7	Be open and helpful to new members. Make them feel welcome and not threatened.	12/1/2021 2:32 PM
